HAKI NI YETU IN BRIEF

CSO Network, IFA and KIOS as the lead organization are implementing a 4 year EU funded project called “Haki Ni Yetu”.

Haki Ni Yetu project is about strengthening the capacity of county-based and grassroots civil society groups for enhanced governance, accountability and protection of human rights of the people of Kenya for a more inclusive, equitable and sustainable society and to improve the participation of Kenyan people in civic life.

The project theory of change is that when support is accessible and well-targeted, Civil Society Organizations (CSOs) and Community Based Organizations (CBOs) are both powerful agents of change and valuable sources of local knowledge.

The project through small grants, capacity building and institutional strengthening, will focus on enhancing the capacity and resources of CSOs, CBOs and grassroots movements across the country, as agents of social change in Kenya

• OBJECTIVE

1. Promote democracy and the Rule of Law: good governance, promoting the rule of law and State accountability, fight against corruption and increasing access to justice.
2. Enhance gender Equality and Non-Discrimination: women's rights, prevention of gender-based violence (GBV), and enhancing LGBTIQ+ rights
3. Strengthen the business and Human Rights: environmental and climate justice, corporate accountability.

DONOR

European Union

TIMEFRAME

2023-2026

• PROJECT OUTCOMES

1. Targeted sector players in Kenya have improved capacity to defend human rights at local, national, regional and international levels.
2. Rights-holders have increased abilities to claim their rights and participate in civic and political life in their communities for the protection and advancement of human rights.
3. Duty bearers are engaged and committed to advancing human rights in the target counties.
